

Pallet Rack Enclosures

Improve Warehouse Safety

Quick and easy to install, our RackBack® panels provide additional safety, and secure stored items from accidental falling or shifting.

Increase Security

Protect workers and equipment from falling items with WireCrafters RackBack® pallet rack backing panels. RackBack® wire mesh panels bolt directly to the back of your existing pallet rack uprights creating a sturdy barrier between stored items and the ground below.

Secure inventory and the contents of existing pallet racks while preventing inventory shrinkage.
